

List of OTCBB Filing Delinquent Companies as of Mar 12, 2010

Each trading day, FINRA publishes a list of companies that it believes are non-compliant with FINRA Rule 6530 (the "Eligibility Rule"). A company is generally added to this list on the date that the symbol is appended with an "E" modifier. This is generally two business days after notification is published on the OTCBB Daily List. A security is removed from this list one business day after FINRA determines that it is eligible for quotation, or the security is no longer quoted on the OTCBB.

The Eligibility Rule and a list of frequently asked questions concerning monitoring and enforcement of this Rule can be viewed on the OTCBB website at: http://www.otcbb.com/faqs/otcbb_faq.stm
