## OTC Bulletin Board®

March 12, 1998

Dear OTCBB Subscriber:

Effective April 1, 1998, foreign equities and American Depositary Receipts (ADRs) that are not registered with the Securities and Exchange Commission (SEC) under Section 12 of the Exchange Act will no longer be eligible for quotation on the OTC Bulletin Board® (OTCBB). Please note that the ineligibility extends to securities exempt from registration under SEC Rule 12g 3-2(b). This action was taken by the SEC in order to meet the full disclosure goals of the securities laws.

According to the SEC's records, the enclosed list of ADR and foreign securities will be removed from the OTCBB at market open on Wednesday, April 1. If you find a security that is mislabeled and believe that the SEC's records are in error, please contact the SEC's Office of International Corporate Finance at (202) 942-2990. We encourage you to help the unregistered securities complete the registration procedures to enable them to continue to be quoted on the OTCBB.

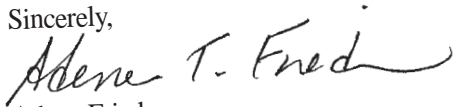

Beginning on April 1, last sale transaction reports for eligible OTCBB foreign equities and ADRs will be disseminated on a real-time basis, as last sale reports for domestic OTC equity securities are now. Additionally, quotations in eligible foreign and ADR securities will be updated on a real-time basis throughout the day (as opposed to the current twice-daily update limitation). After these rule changes are effective, any priced quotation in a foreign equity or ADR on the OTCBB will be firm, but unpriced (or "name only") quotations will still be permitted. Priced entries will also carry over to the next trading day and will no longer need to be re-entered each day.

To help an issuer to be reinstated on the OTCBB, you can do the following:

- 1) encourage the issuer to file a Form 20-F with the SEC, which has a 60-day waiting period for approval;
- 2) during the waiting period, ensure that the issuer has a Market Maker sponsor; and,
- 3) as the sponsor (or a sponsor's representative), file a Form 211 with NASD Regulation, Inc.

For more information on the OTCBB, please call Adena Friedman, Director, OTC Bulletin Board at (202) 728-8832. Thank you for your efforts in helping issuers maintain quotations on the OTC Bulletin Board.

Sincerely,

Adena Friedman  
Director, OTC Bulletin Board
