Inside Bid	INSD_BID_PR	Inside bid price ⁵
Inside Ask	INSD_ASK_PR	Inside ask price ⁶

1. A market participant's bid price is the price at which they are willing to buy a security.
2. A market participant's bid size is the number of shares they are obligated to buy at their posted bid price.
3. A market participant's ask price is the price at which they are willing to sell a security.
4. A market participant's ask size is the number of shares they are obligated to sell at their posted ask price.
5. The inside bid price is the best, or highest bid price posted by a market participant. The inside bid will only be displayed on the .rtf report when a market participant's quote update causes the inside bid to change.
6. The inside ask price is the best, or lowest ask price posted by a market participant. The inside ask will only be displayed on the .rtf report when a market participant's quote update causes the inside ask to change.

NOTE: A minimum of two market participants must post both bid and ask prices for the inside bid and ask to be calculated.
