## Daily Market Summary Report Key

Column Header	Description
Symbol	This column contains the trading symbol of every security quoted on the OTCBB for the selected trade date, regardless of whether there were any transactions reported in the security on that date.
Trade_Date	The date the trading activity in this report occurred.
High_Price	The highest eligible* trade price on this trade date.
Low_Price	The lowest eligible* trade price on this trade date.
Close_Price	The last eligible* trade price reported before the close of the market on this trade date.
Share_Volume	The cumulative share volume of all last-sale eligible* transactions for the selected trade date.

\*In general, in order to be considered in calculating the high, low, and closing share price for a security, the trade must have been reported to NASDAQ during market hours (9:30 AM to 4:00 PM EST), within 90 seconds of execution, for at least one round lot (100 shares), and meet specific eligibility standards.
